

# 8<sup>TH</sup> STREET

Reconstruction Project

## Construction Update

July 18–24, 2019

-  Partial intersection reduction
-  City Contractor Work (Road Closed)
-  City Contractor Work (Local Access Only)
-  Full closure
-  Xcel Energy
-  Sidewalk Removal and Replacement

### WHAT'S HAPPENING

- Sidewalk work continues between Hennepin Ave. and 2nd Ave.
- Paving on 3rd Ave. will be completed this week. Starting July 23, 3rd Ave. will be restored to two lanes of traffic.
- This week, crews continue curb and driveway installation on the north side of 8th St. between 3rd Ave. and 4th Ave. Crews also continue storm sewer installations on the north side of 8th St. between 4th Ave. and 5th Ave., followed by sidewalk and curb grading work.
- Beginning July 22, paving at 4th Ave. will shift from the west half to the east half of the intersection, with one-lane southbound on 4th Ave. **remaining** open to traffic.
- Beginning next week, 5th Ave. intersection will be reduced to one-lane northbound for pavement removals and utility work.
- Xcel Energy continues utility work between LaSalle Ave and Chicago Ave. This includes work in the Portland Ave. and Chicago Ave. intersections. Additional telecommunication work is also occurring between Marquette Ave. and 5th Ave.

### WHAT TO EXPECT

- Public and private utility work requiring the use of heavy equipment will increase noise, vibration, and dust in work areas.
- During construction, 8th St. will be restricted to local access only and vehicle traffic will be detoured to adjacent streets for the duration of the 2019 construction work. Vehicle traffic is currently detoured to 10th St.
- Lane restrictions will vary by block, based on construction activity
- There will be sidewalk closures and pedestrian detours as needed to facilitate construction activities. Expect greater pedestrian impacts at intersections where work is occurring.
- Metro Transit buses have MOVED off 8th St. and are being routed to bus stops along 6th St. for the duration of 2019.

## 8th Street Work Zone Detour

### Work Zone

- 8th Street will remain open to local access during construction
- Lane restrictions will vary by block depending on the construction activity
- Cross-street traffic to be maintained

 **8th Street Work Zone** (Access shifts throughout construction)

 **Detour Route** (SB Hennepin Ave, EB 10th St S, NB Park Ave)
