

8TH STREET

— Reconstruction Project —

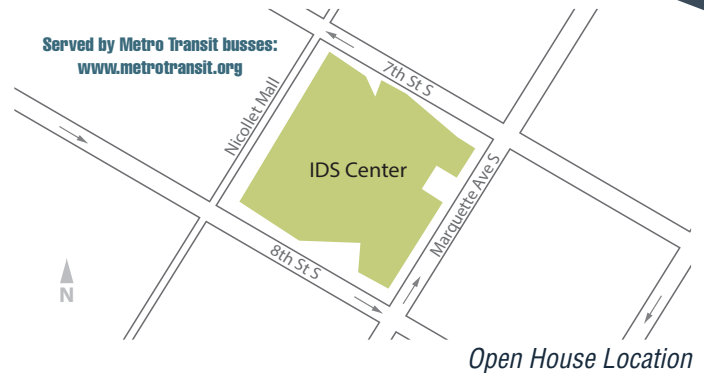

Open House

Tuesday, June 28, 2016

8:00 to 9:30 a.m.

Presentation at 8:30 a.m.

IDS Center - Third Floor, Conference Room
80 South 8th Street, Minneapolis

Roadway Construction Coming Soon

Design and engineering for the 8th Street Reconstruction Project is underway and construction is anticipated to begin in 2019. The project will include reconstruction of 8th Street, from Hennepin Avenue to Chicago Avenue, in order to:

- ▶ Improve the **condition of the infrastructure** for pedestrians, transit, and vehicles
- ▶ Improve pedestrian **safety** and the pedestrian realm by providing crosswalks with pedestrian curb ramps, durable crosswalk markings, wider sidewalks, count-down timers, landscaping, and lighting
- ▶ Improve **transit operations** through the corridor by implementing Arterial Bus Rapid Transit (BRT) and providing transit amenities including larger waiting areas for transit riders

A map of the project area is provided on the back of this page.

You're Invited

Join us to learn more about the project!

- ▶ Learn about the project background, design process, schedule, and next steps
- ▶ Review preliminary design concepts for the future 8th Street
- ▶ Provide feedback and share ideas

Snacks and refreshments will be served
